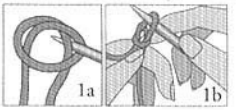
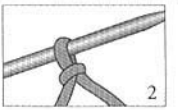
Learn to Knit Instructions

Casting On

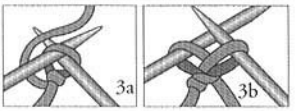


1a Make a slip knot: Loop the yarn as shown and slip needle under the lower strand of the loop.

1b Pull up a loop of yarn.

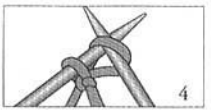


2 Pull the yarn end attached to the ball of yarn to tighten the slip knot leaving the other end approx 4 ins [10 cm] long. Transfer needle to left hand.

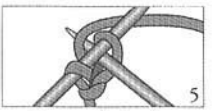


3a Insert the right-hand needle through slip knot and wind yarn over right-hand needle.

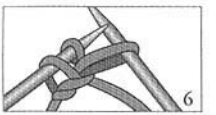
3b Pull loop through slip knot.



4 Place new loop on left-hand needle. (You now have 2 stitches (sts) on your left-hand needle).

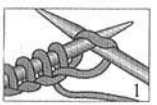


5 Insert right-hand needle between last 2 stitches (sts) on left-hand needle and wind yarn over right-hand needle.



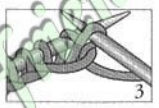
6 Pull loop through. Place this new loop on left-hand needle beside last stitch (st). (You now have 1 more stitch on left-hand needle). Repeat (rep) steps 5 and 6 until required number of stitches (sts) have been cast on left-hand needle.

The Knit Stitch

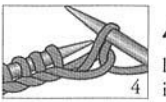


1 Hold the needle with cast on stitches (sts) in your left hand, and the loose yarn attached to the ball at the back of work. Insert right-hand needle from left to right through the front of the first stitch (st) on the left-hand needle.

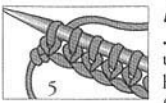
2 Wind the yarn from left to right over the point of the right-hand needle.



3 Draw the yarn through this original stitch (st) which forms a new stitch (st) on right-hand needle.



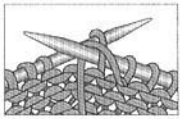
4 Slip the original stitch (st) off the left-hand needle, keeping the new stitch (st) on the right-hand needle.



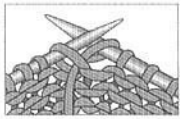
5 To knit a row, repeat steps 1 to 4 until all stitches (sts) have been transferred from left-hand needle to right-hand needle. Turn the work by transferring the needle with stitches (sts) into your left hand to knit the next row.

knitting-stitches.com

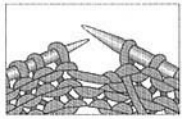
The Purl Stitch



1 With yarn at front of work, insert right-hand needle from right to left through front of first stitch (st) on left-hand needle.

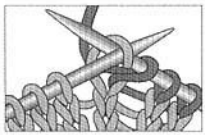


2 Wind yarn around right-hand needle. Pull yarn through stitch (st).



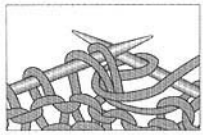
3 Slip original stitch (st) off needle. Repeat (rep) these steps until all stitches (sts) on left-hand needle have been transferred onto right- hand needle to complete one row of purling.

Increasing and Decreasing



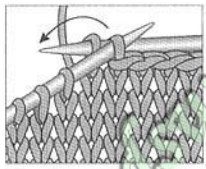
Increase 1 stitch (st) in next stitch (st) Work into front and back of stitch (st) as follows: Knit stitch (st), then before slipping it off needle, twist right-hand needle behind left-hand needle and knit again into back of loop. Slip original stitch (st) off needle. There are now 2 stitches (sts) on right-hand needle made from original stitch.

K2tog Decrease Knit 2 stitches (sts) together (tog) through the front of both loops.

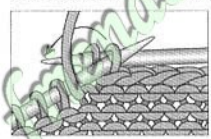


P2tog Decrease Purl 2 stitches (sts) together (tog) through the front of both loops.

Casting Off



Cast off using knit stitch (knitwise) Knit the first 2 stitches (sts). *Using left-hand needle, lift first stitch (st) over second stitch (st) and drop it off between points of the 2 needles. Knit the next stitch (st); repeat (rep) from * until all stitches (sts) from left-hand needle have been worked and only 1 stitch (st) remains on the right hand needle. Cut yarn (leaving enough to sew in end) and thread cut end through stitch (st) on needle. Draw yarn up firmly to fasten off last stitch (st).



Cast off using purl stitch (purlwise) Purl first 2 stitches (sts). *Using left-hand needle, lift first stitch (st) over second stitch (st) and drop it off needle. Purl next stitch (st); repeat (rep) from * securing the last stitch (st) as described for casting off knitwise.

Helpful Hints

For best results, be sure to use the yarn recommended in the pattern, and purchase enough of one dye lot to complete your project. It is a good idea to retain ball bands in case of inquiry.

Before you begin to knit check your tension by making a test swatch and adjusting needle sizes, if necessary, to obtain the tension quoted in the pattern. Inaccurate tension results in a garment too large or too small. Even a variation of half a stitch makes an obvious difference in the finished size. Loose tension can result in the item or garment losing its shape during wear or laundering. Before beginning, read all the instructions thoroughly.

Note: Never put an iron directly on yarns containing synthetic fibers. If pressing is required before assembly, lay each piece right side down on a clean, flat surface and pin to size using rust proof pins. Cover with a damp cloth and leave to dry.

Washing Instructions

Patons Allure (50 g/1.75 oz)
Hand wash. Lay flat to dry.

HAND WASHING

Note the measurements of the garment before washing. Thoroughly dissolve soap or mild detergent in lukewarm water. Place the garment in the suds and squeeze gently. Do not rub or leave to soak. Support the item with your hands as you remove it from the water. Rinse twice in clean, lukewarm water. Remove excess moisture by rolling in a thick towel.

DRYING FLAT

Do not wring, twist or hang to dry. Lay garment on a flat surface away from lights, sunlight and excessive heat. While still damp, gently push garment back to its original measurements. When dry, shake item to fluff.
